

Council members identified major issues of concern and each issue was then ranked according to size, seriousness, and effectiveness of interventions. The top five priorities for Anderson County are.

- 1. CARDIOVASCULAR DISEASE**
- 2. CANCER**
- 3. CEREBROVASCULAR DISEASE (STROKE)**
- 4. FAMILY VIOLENCE**
- 5. LACK OF DENTAL CARE**

***Resources***

A focus will be placed on identifying existing resources. Cooperation of various agencies could allow redirection of such resources to target identified priorities. Additional resources will be sought for the development of intervention and implementation strategies identified by the health council.
